Conference Tripple

MODEL: CONFTRIPLE

An inspiring statement of multimedia presentation cabinet.

Features & Benefits

- >> Multi configurable with all types of AV/VC and IT equipment.
- >> Three co joined racks give up to 48U of usable rack space.
- >> Built around a natural convection cooling design; no need for additional fans.
- >> Removable side panels for easy integration.
- >> Stylised Black glass top.
- >> No fixed installation: easily redeployed to other areas on 8 lockdown levelling castors.
- >> The Conference Dual unit can support up to 103" diameter screen or twin screens up to 55", to a maximum weight of 250kg.
- >> Full doors in dark Plexiglas finish: keyed alike.
- >> Internal cable management.
- >> Finish silver and stainless steel panels.

Overview

For large boardrooms and high level meeting environments, the TeamMate Conference Triple is at first sight an inspiring piece of office furniture; but within lies a combination of superior rack design. With a natural convection cooling system and a clever mounting system with internal cable management, the Conference Triple can support displays of up to 250kg.

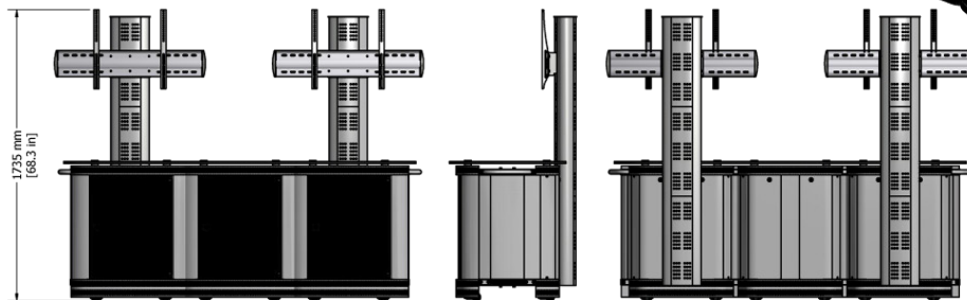

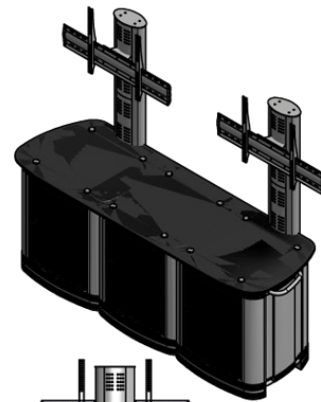

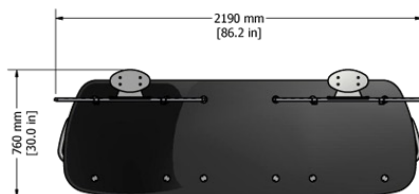

Manoeuvrable on 12 heavy duty castors that lock down once in place, this stylish presentation enclosure combines contemporary design with outstanding functionality, conducive to any business occasion.
