- >> ConX feature
- >> Clever cable management
- >> Upgradable by adding another rack, a height adjustable package or a different worktop
- >> Optional height adjustable worktop
- >> Range of worktop sizes and colours
- >> Range of chassis metalwork and side panel colours
- >> Extensive logo and branding options are available
- >> Mobile with a small footprint
- >> 10 Year warranty on metalwork
- >> 5 Year warranty on all electrical components

Overview

The Educator range of lecterns carry the ConX feature; simply the ability to create your own standard of lectern with racks that can link together, a range of table top sizes and the option of a height adjustable package. All with a choice of colours for metalwork and tabletops together with extensive logo and branding options.

Made and assembled in the UK, this flexible range of lectern racks start as a blank canvas, enabling you to create the lectern you want to suit your application.

All this and backed with the traditional quality and attention to detail expected of TeamMate products; the options are endless... ConX and create.
