# All-in-One Kiosk
# Powered by BrightSign®

Peerless-AV's new All-in-One Portrait Kiosk is the ideal solution for a variety of digital signage applications, such as retail, hospitals, public spaces, government and much more. This kiosk, powered by BrightSign®, delivers flawless Full HD 1080p60 single video decoding, HTML support, networked content playback, as well as an abundant set of features like interactivity via the GPIO port, remote snapshot, live text, media feeds and multi-zone. The kiosk's sleek, stylish design offers the ruggedness needed for public use, and simple installation and maintenance.

**Display size**
**55"**

*Engage your audience with Peerless-AV's sleek, interactive All-in-One Kiosk, powered by BrightSign®, which allows for six simultaneous points of interaction.*

## Additional Features

☑ All-in-one LCD digital touch kiosk powered by BrightSign® to design and publish interactive or non-interactive content

☑ Quick and easy set-up via microSD card, USB, Wi-Fi, Bluetooth or cable

☑ Six point IR touch to engage your audience

☑ Standard HTML5 engine supports flawless playback of content and modular assets layered with video

☑ Full HD video and audio streaming

☑ Easily update messaging and interact with the kiosk using your iPad or iPhone

☑ Remotely control and interact with the kiosk via Ethernet or WiFi

☑ Link kiosk to any live data and media feeds available to display
