

# Carrier 40 Cart™

Charge, store, secure and transport up to 40 devices

**Efficient charging.** The Carrier 40 Cart is capable of charging up to 40 mobile devices simultaneously.

**Compatible.<sup>1</sup>** The new Carry Baskets are designed to accommodate almost any device - with or without covers.

**Lock it down!** After a day of use, lock the sliding top lids and attach the heavy duty anchor kit for securing the Cart whilst it's not in use.

**Portable.** Equipped with eight removable 5 slot Carry Baskets, making mobile device deployments easier.

**Lifetime warranty.** PC Locs products are built to last the distance.<sup>2</sup>

**Style meets functionality.** The Carrier 40 Cart features two sliding top lids so that devices can be accessed quicker, easier and by more users at once.

# It just makes life easier.

**New 5 slot Carry Baskets** give users the flexibility to deploy Chromebook, Tablet or iPad devices with ease. The new and improved baskets are lighter, easier to grip, and can fit a wider range of devices.

**Safe, efficient and a future proofed power management system for charging 40 devices at once.** How? ECO Safe Charge™ can handle the power requirements of almost any device by staging the availability of power to each bank of devices.

**Mobile syncing (optional).** Think you may need syncing functionality in the future? Don't buy a new Cart... purchase the hand held iQ 16 Sync Charge Box which allows you to carry the unit where syncing is required (sold separately).

**The larger device storage area** means that Chromebook, Tablet or iPad devices can be accessed easier and by more users at once.

## Improved cable management.

The Carrier 40 Chromebook Cart features a new centre channel system which holds all the cables in place. It is now neater and easier to set up.

## New soft closing, sliding lid.

Secures up to 40 Chromebook, Tablet or iPad devices and the baskets that they are stored in!

**Highly Secure.** Two-point locking system to keep your valuable devices safe.
