

Specifications for GV Smart Combo Tab Tensioned Screen

Features:

- Smart Screen multi option control
- Cinema Quality, tab tensioned screen surface
- Delivered pre-fitted into a unique above ceiling pre-installation box
- Featuring unique noise isolation design to reduce any possible noise transfer between the screen's casing during operation and the ceiling cavity
- Standard aspect ratio 16:9, also available in 4:3 and 16:10 (Contact Herma)

Smart Features:

- 12 V Trigger Using 1.5mm output on screen and 3.5 on the projector end
- External IR Cable with Jack plug 3.5mm with receiver eye
- Close Contact Cable Provided in the box
- RS232 control is available – requires an additional accessory
- Manual Switch located on the bottom of the casing (push button), close to the power cable outlet
