Overview

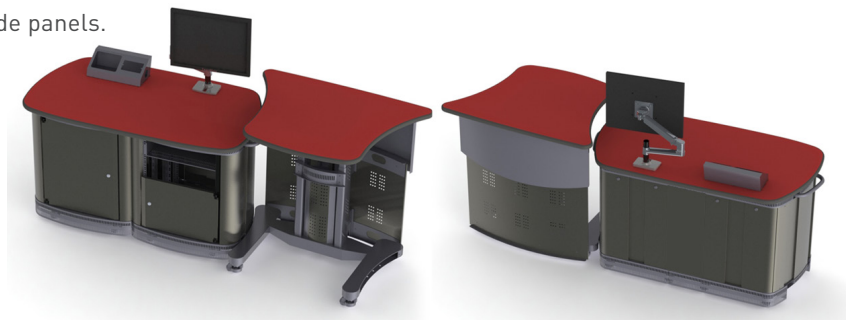

The TeamMate VariHite Podium Dual is a new twist on the prestigious TeamMate VariHite Podium model. With co joined racks and a variable height lectern section able to be linked to either the left or right hand side of the rack element, this refreshing solution offers a functional yet strikingly contemporary design that cleverly covers disability compliance.

The Varihite section has a modesty shield that offers adequate space for branding.

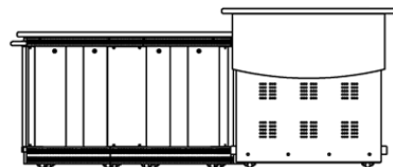

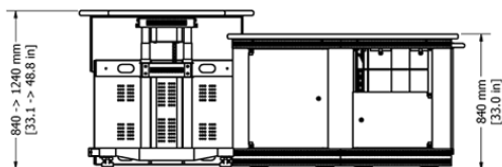

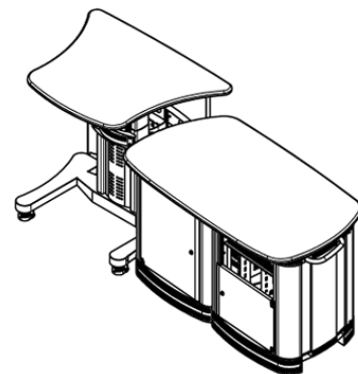

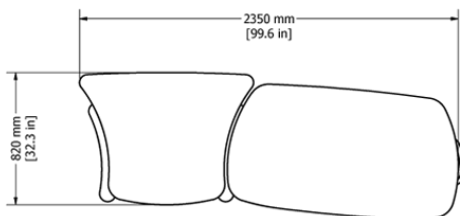

The VariHite Podium Dual is a welcome addition to our top of the range flagship presentation solutions.
