

LaunchPort Sleeves

Hold. Charge. Protect.™

The Sleeve is a form-fitting case that wraps around iPad and keeps it safe. On the back, the circle aligns iPad-in-Sleeve to either a WallStation or BaseStation. The magnets inside the Sleeve create just the right holding force: Strong and sturdy on the wall or easy to grab and of on the table. Choose between soft touch black or a high gloss white finish.

SLEEVES

- Inductive charging, protective case
- Built in wave-guide
- Ergonomically designed
- Contains embedded Neodymium magnets for secure mounting to wall of any metallic surface
